TechLaw Chat – Episode 12

The Christmas edition of Matthew Lavy and Iain Munro's podcast series, TechLaw Chat, is now available.

This end-of-year episode 'Kris Proposes Drone Delivery' explores the viability of delivery of Christmas gifts by drone in UK airspace. Someone has ambitious plans involving the precision drop of parcels down chimneys. Matthew and Iain discuss the legal risks that arise and the hurdles that will have to be jumped if the Civil Aviation Authority is to authorise that plan.
