

Laurence Page joins 4 Pump Court

4 Pump Court are delighted to welcome [Laurence Page](#) to Chambers with effect from 1st February.

Laurence's practice includes banking and finance, civil fraud and asset tracing, commercial arbitration and litigation, franchising, insurance, professional negligence, shareholder and directors disputes; adjudication, construction and engineering, disciplinary and significant international work.

Joint Head of Chambers [Sean Brannigan KC](#) comments:

"We are delighted that Laurence is joining us. His reputation as a busy and top class commercial advocate, particularly in international work, is well known and fits very well with Chambers increasing expansion in that area."

Laurence Page comments:

"I am delighted to be joining chambers. It has an exceptional reputation as a specialist international arbitration set, and was one of the first to identify strategically the growth of commercial, energy and infrastructure disputes in the Middle East. Both its members and staff have been tremendously welcoming."
