

4 Pump Court launches joint initiative with Vinson and & Elkins and Charles River Associates- 'WeConnect'

Members of Chambers had a wonderful evening last night at the launch of Women in Energy Connect (WeConnect) – a network group for women working across all areas of the UK energy sector at South Place Hotel, London.

WeConnect was established by [Lynne McCafferty KC](#), [Rachel Ansell KC](#) and [Kate Livesey](#) of 4 Pump Court, Louise Woods and Ciara Ros of [Vinson & Elkins LLP](#) and Laura Sochat of [Charles River Associates](#). The initiative aims to offer a supportive and inclusive platform for women in the energy sector to succeed and to raise awareness about the importance of gender diversity.

Regular meetings, seminars, conferences, and networking opportunities will be hosted with the intention of assisting with members' career development.

To join the network see [here](#).
