

4 Pump Court wins 'International Arbitration Set of the Year' at Chambers UK Bar Awards 2022

The Chambers and Partners UK Bar Awards 2022 were held yesterday evening at Old Billingsgate. *'The awards recognise a Chambers pre-eminence in the UK. They also reflect achievements over the past 12 months including outstanding work, impressive strategic growth and excellence in client service.'*

We were delighted to have won 'International Arbitration Set of the Year'. 4 Pump Court's outstanding arbitration practice continues to prosper, and we are proud to have the exceptional talent here in Chambers commended.

Joint Head of Chambers, [Sean Brannigan KC](#) and [Rachel Ansell KC](#) say:

"It was particularly pleasing to get word of this Award whilst in Dubai with 10 other members of Chambers celebrating Dubai Arbitration Week. It reflects our real commitment to, and exponential growth in, Arbitration work in both the Middle East and Pacific Rim Regions across a wide range of sectors. And we have only just started: we think that we have some of the best advocates on the market."

We would like to give huge thanks to our clients over the last year, both old and new- we look forward to continuing these relationships. Congratulations to all those who were shortlisted.
