

# Chambers & Partners UK Bar Guide 2026

The Chambers and Partners UK Bar Guide 2026 has been released, and 4 Pump Court has been listed as a Leading Set across 11 areas with Band 1 set rankings for 'Construction: Professional Negligence' and 'Information Technology'.

Members of 4 Pump Court have been ranked across 26 practice areas in total, including 16 new table entries and 20 band increases.

Our new table entries are across the areas of Construction, Construction: Professional Negligence, Energy, Financial Services, IT, International Arbitration: General Commercial, Professional Negligence, Property Damage, Shipping and Civil Fraud. These rankings demonstrate the depth and breadth of our expertise across our core areas of commercial law.
