

# Laura Wright and Jacob Haddad speaking at the ITechLaw 2025 European Conference – Thursday 30th October

The ITechLaw Association 2025 European Conference will be taking place in London from October 29-31 in the Convene space at 155 Bishopsgate. The conference will attract attendees from more than 40 countries and discuss cutting-edge legal tech topics.

On Wednesday 29 October at 2pm, [Jacob Haddad](#) will be speaking on the Dispute Resolution Committee panel alongside Stuart Davey (Pinsent Masons). Jacob will focus on ‘DBS v TSC Ltd [2025] EWCA Civ 380 and conditions precedent’.

On Thursday 30 October at 9:30am, [Laura Wright](#) will be on a panel discussing ‘The future of Tech’ . The session will draw on the findings of Gartner Top 10 Strategic Technology Trends for 2025 and Agentic AI, Quantum, Neurological Enhancement and Robotics. The panellists will highlight exciting emerging and growing technologies.

For details on how to register for each event, please see [here](#).
