

London International Disputes Week 2021

London International Disputes Week (LIDW) celebrates London as a leading centre for handling international dispute resolution and is taking place this year between 10th and 14th May. LIDW21 is a fully virtual event attracting audiences from jurisdictions globally.

The week features a core conference surrounded by collaborative events co-hosted by Member Organisations. We are proud to be a Member of LIDW and will be involved in several Member-hosted events throughout the week covering a range of areas of dispute resolution. More information and registration for these events is available via the links below.
