

Lord Garnier KC speaking at Defamation, Data & Privacy White Paper Conference

Edward Garnier KC will be speaking at the Defamation, Data & Privacy White Paper Conference on 27th November.

Edward will specifically discuss the matter of when courts will enforce an NDA and when it is in the public interest for a source who has signed an NDA to be free to make allegations.

The conference is now fully booked with a waiting list in operation. To find out more or to join the waiting list, visit the [event page](#).
