

# TCC 150 Art Competition for Students

2023 is the 150th anniversary of The Technology and Construction Court (TCC). As part of the anniversary celebrations, there will be a competition for young artists. Entries can be 2D artworks in any medium (except exclusively photography) and must relate to the themes of Construction or Technology. Winners will be chosen by a panel of Judges and have cash prizes attached of between £250-£1000. Further details including deadlines and terms & conditions can be found [here](#).
