

Webinar: SCL IT Disputes Group – Restraining Contract Termination by Injunction

In this event, organised by the SCL IT Disputes Group, [Gideon Shirazi](#) will join a panel to discuss the principles on which relief may be granted to prevent one party from terminating an IT contract, and the issues which commonly arise, including:

- Whether damages would be an adequate remedy for the applicant
- Whether granting relief would force the parties to work together in circumstances where their relationship has broken down
- The duration and terms on which relief may be granted
- The position under Scots law

This webinar will take place on Wednesday 23 February at 17:00 GMT
